Kitchen tips

- Scale under the bowl: add greens first, then toppings, stop at **300–350g**.
- Dressing cup is always **120ml** — fill 110–120ml; lid on; go with salad.
- Oats: if under 250g add milk; if over 280g reduce milk 15–20ml next batch.
- Quinoa: **110–120g cooked** ≈ 40g dry.
- Wraps: warm tortilla lightly so it rolls without cracking.
